HOLLAND PRIDE

OUT ON THE LAKESHORE

Sensory Friendly Area: This shaded space offers folks a chance to sit down and take a break from the stimulation of other areas. We'll have fidget toys, coloring supplies, ear plugs, water bottles, games, etc. Volunteers will be stationed here, so if there is anything an attendee needs assistance with, this is a great place to send them!

Near the on-site bathrooms, there will be a **Changing Station** – a fully enclosed tent with a table to allow folks a quiet, safe place to take care of any changing needs, should they arise.

Red Carpet: Happening in the middle of the park, we want to highlight anyone interested in strutting their stuff! Harbor Humane Society will also walk some adoptable dogs down the runway! *See schedule above for times.*

Art Area: We are SO excited about this space – happening near the bathrooms, we will have artists from local organizations ready to walk attendees through the various textile-based activities. Weave with upcycled fabrics, color a square for our Pride quilt, or iron a custom patch onto one of our thrifted items. Feel free to bring an item from home to customize!
